Steam code redeem and how to report when code is used or bad.

How to redeem:
Login to your STEAM account and navigate to Account Details then click Add funds to your Steam wallet and click Redeem a Steam Gift Card or Wallet Code.

Or use below link to open website
https://store.steampowered.com/account/redeemwalletcode

Now enter the code and confirm (Continue). Funds will be added to your account.

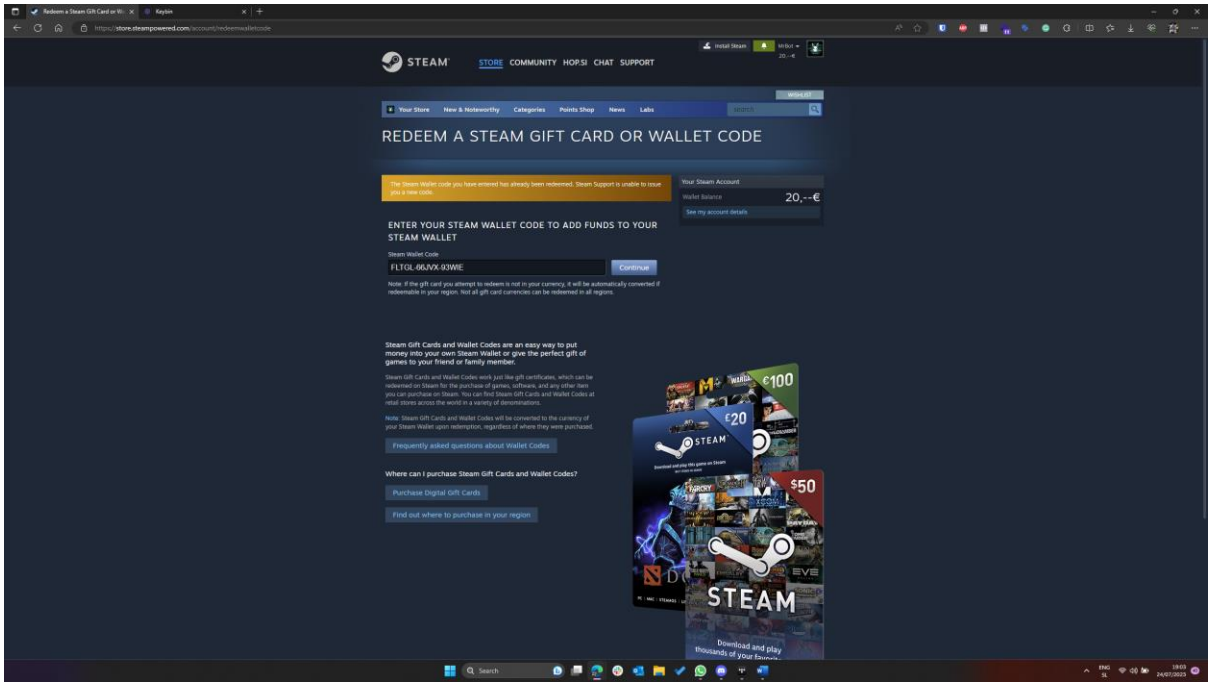
Code is already redeemed or invalid:

Check that you didn't make a mistake when typing the code. Sometimes 0 (zero) can appear as O. Please double-check your inserted correct code and try to redeem again.

Please check the next page if the code still does not work and report a problem to our support.

Contact our support with the below screenshots (both).

First take a FULL WINDOW screenshot of the error.
Here is the example of FULL WINDOW the screenshot:



Then navigate to Steam purchase history which can be found under Account -> Purchase History or navigate via the link - https://store.steampowered.com/account/history/

Here is example of FULL WINDOW screenshot:
